

### Start Your Career with an Internship at InspireKids

Gain hands-on experience supporting children and families in a community-focused pediatric behavioral health setting.

#### What You'll Do

- Work directly with children in Day Treatment Group setting
- Support therapeutic interventions and evidence-based programming
- Participate in treatment operation flow and caregiver engagement
- Attend team meetings, trainings, and program supervision
- Build skills that prepare you for licensure and professional practice

#### Why Intern with InspireKids?

- Meaningful experience with children ages 4–12
- Weekly supervision with licensed behavioral health professionals
- Agency-wide trainings to strengthen your clinical foundation
- Flexible scheduling aligned with academic requirements
- Experience in trauma-informed and developmentally appropriate care

#### Placement Areas

- **Day Treatment Groups** – Full Day or Intensive After School PHP Programs

*Placements are based on program availability and intern qualifications.*

#### Location and Hours

##### Garfield Heights Clinic

5595 Transportation Blvd Garfield Heights OH 44125

Business Hours: 8:30 AM – 6 PM

##### Malachi Center Clinic
