Department and Institute	
Address	

Sample Information

Sample name/ID	Type of compound and source	Molecular Weight:
For liquid sample	For solid sample	Chemical Formula:
Solvent:	Weight estimated:	Structure: attach if any (It is important to have the structural information, which will help us design experimental conditions, and give better chance to obtain good data)
Concentration:	Purity estimated:	
Buffer:	With salts:	
Need refrigeration?	Radioactivity? Specify	Hazardous Material? Specify

Type of Mass Spectrometry Analysis

Type of analysis (consult with facility personnel) MS MS/MS	Ionization Mode	
	Positive +	Negative -

Records (for Facility Personnel)

Analysis ID#	Date received	Date reported
Date file names:		

Bring your samples to:

Dr. Xiang Zhou
Department of Chemistry, Science Building Rm 330
Cleveland State University
Euclid Ave. at East 24th St
Cleveland, OH 44115
Phone (216) 687-3922
x.zhou34@csuohio.edu

Ship your samples to:

Mrs. Janet Quarterman
Extn: Dr. Xiang Zhou
Department of Chemistry, SI 301A
Cleveland State University
2399 Euclid Ave, Cleveland, OH 44115.
