

Adult Development and Aging Update

The Adult Development and Aging (ADA) doctoral program has established an on-going community partnership with the Benjamin Rose Institute on Aging (BRIA). Formalized as the Fellowship in Applied Aging Research, this partnership provides training for doctoral students in applied research. This year's fellow is Morgan Minyo who is a fourth year doctoral student.

Psychological Science MA Program New Faculty Update

As the Psychological Science MA Program (PSP) enters its second full year, we want to take the time to highlight and welcome some new faculty who have recently joined us. First, we have Dr. Kathleen Reardon. Dr. Reardon joined the Department of Psychology as a tenure-track Assistant Professor in August. Next, we have Dr. Mike Horvath, Associate Professor in the Department of Psychology, who formally joined the PSP at its inception last year.
